

KREAMER STREET ELEMENTARY SCHOOL

Bellport, New York

September 8, 2016

Dear Parents:

In order to provide a safe and orderly climate on the playground, I have asked the teaching staff to review appropriate playground conduct with the children each day this week. As partners in your child's education, I would also ask you to talk to your child and discuss the following positive behaviors to ensure an enjoyable recess.

1. Please have fun and enjoy playing with your friends outside.
2. Please wait your turn on the playground slides, as you would not want to be hurt or have your friends hurt.
3. Please talk nicely and compliment your friends, as you would like to be talked to. Remember! If you do not have something nice to say, don't say it.
4. Please never push or shove a friend. We want to have fun and not get hurt.
5. Please listen to the lunch monitors as they are there to help you. If you have a problem, see them right away.

If your child does misbehave on the playground he or she will be held accountable in accordance with the South Country Central School District Code of Conduct.

Enjoyment and a pleasurable and safe recess for your child are our goals. When we all work together, I am confident your child will be the beneficiary.

Sincerely,

Sean F. Clark
Principal
