November 2016

Dear Parent/Guardian,

As the second quarter of the school year is now underway, it is not too early for students to begin preparing for the January Regents examination period. This year’s exams are scheduled to be administered beginning Tuesday, January 24th through Friday, January 27th. In an effort to support students in their preparation for these important exams, we will be offering a number of “Test Prep Classes” after school for additional instructional support. Classes will be offered in the following subject areas:

January Regents Exams: (6 sessions each):

Math:

Algebra I CC
Geometry CC
Algebra II CC

Science:

Living Environment
Earth Science

Social Studies:

U.S. History
Global History

English:

ELA CC

Enclosed with this letter, please find a schedule of Test Prep review sessions for your convenience. As indicated within, Test Prep sessions will be offered once a week beginning November 28th – January 20th for the Regents exams identified above. All classes will be held after school from 2:00 p.m. – 2:50 p.m.

If you have any specific questions or concerns related to the January testing please contact your child’s guidance counselor. Please note: transportation will be available for students at 3:10 p.m. following each Test Prep session.

The January Regents examination period is fast approaching. Please encourage your child to prepare for this very important time of the school year. Besides attending Test Prep classes, have them study at home, take advantage of extra help after school, and reach out to teachers with questions. Passing state exams is required for graduation and essential in assuring academic success. Thank you!

Sincerely yours,

Timothy Hogan
Principal

The mission of Bellport High School is to provide all students a comprehensive, student-centered academic program in a safe, respectful and responsible school environment.
