

KREAMER STREET ELEMENTARY SCHOOL
Bellport, New York

June 8, 2017

Dear Parents:

As we close this school year I would like to thank you for the support you have given the teachers and our P.T.A.

In late August you will be receiving information about bus stops and pick up times as well as class placements.

Please let East End Bus Company know in July if your child will not be bused to and from your home. This includes if you are sending your child to a day care in our attendance area. You may contact Lorraine at East End Bus Company at 345-9600.

In addition, when you get the bus information in the mail in August, if it is not correct, please call the school office, 730-1650 and East End Bus Company 345-9600 as soon as you get it so the changes can be made. Please also note that if your child is eligible for transportation and you decide to pick up your child every day, each year in July you will have to notify the school and East End Bus Company that your child will not take the bus and will be a walker.

Please do not wait for the first day of school to make these changes.

In addition, the children will have half days of school (11:15 a.m. dismissal) on Wednesday, June 21st, Thursday, June 22nd and Friday, June 23rd. **The cafeteria will be closed for lunch on Wednesday, Thursday and Friday. Breakfast will be served (cereal and milk) on Wednesday, Thursday and Friday.**

Have a safe and pleasant summer.

Sincerely,

Sean F. Clark
Principal
