Physicals:

All student athletes must pass a sport physical before participating in any practice or game. The physical may be administered by either a family physician or the school doctor and when passed is in effect for 1 calendar year. Health updates are required for each sport season. Forms for sport physicals may be obtained in the nurse's office, the athletic office, or online at www.southcountry.org. There are two parts for the physical, a parental health history and permission form which must be brought signed to the exam and the physical form which is filled out by the examining doctor. The school physician has the final approval of all physicals.

If any further information is needed, feel free to call our office at 730-1597.

Sincerely,

Robert McIntyre
Director of Athletics,
Health & Physical Education
