

# **FRANK P. LONG INTERMEDIATE SCHOOL NEEDS YOU ON THEIR TEAM! SHARED DECISION MAKING TEAM (SDM)**

## **What is SDM?**

SDM, or Shared Decision Making, is a committee comprised of teachers, parents, school related personnel, and administrators. Our team meets monthly to work on projects designed to enhance our school and improve student performance.

## **How long am I on SDM?**

SDM members are on the team for a two-year term. A one year absence is required before you may return to the team for another two years.

## **When does SDM meet?**

SDM members usually meet once a month in the FPL conference room. The meetings begin after school and last about one hour. Throughout the school year, SDM members will also need to be present at the events that we organize.
