Dear Bellport High School Families,

On behalf of the Bellport High School PTSA, we welcome both new and returning families to the 2018-2019 school year! We hope everyone had an enjoyable, safe, and relaxing summer. Our PTSA is looking forward to a fun and productive school year with all of you and we invite you and your BHS children to become actively involved in the high school's **P**arent **T**eacher **S**tudent Association.

As the new school year begins, we would once again ask for your assistance so that we can continue to support our students and staff. Your membership allows the PTSA to raise funds to support educational programs, social activities, and scholarships for our students in the high school and throughout the district. In order for the PTSA to be effective, everyone's participation is essential.

Partnerships between parents, educators, and students enhance children's success. We know that children learn more and have better lives when everyone in the school community works together to share thoughts/information and create projects to benefit children. Although your child is now in high school and their formal education is almost over, we still need your support—maybe more than ever. Joining the BHS PTSA *with* your child is a great way to spend time together while servicing the school community, strengthening your relationship, and creating new bonds.

Many parents feel that they cannot participate in the PTSA because they cannot come to meetings or events. We want everyone to feel that they are part of the Bellport community. Whether you have 30 minutes or a couple of hours, your ideas, your time, your talents and simply your voice are truly needed. There are endless possibilities in ways you can help. What better way to show our kids how important their school is than by joining the PTSA. Anyone can join: moms, dads, students, staff, and even grandparents!

We would like to thank you in advance for your support. If you have any questions, please do not hesitate to contact us. Please stay informed with all our social media sites. Have a wonderful school year and we look forward to seeing you at our first PTSA meeting in the fall.

Sincerely,

The BHS PTSA
