Dear Verne W. Critz Community,

In an effort to continue to be responsive to the concerns on the current COVID-19 pandemic, I am writing to inform you that one student presented symptoms for COVID-19, Flu or Cold at school today.

The student entered the school without a fever, went to his/her classroom and late in the day, indicated that he/she felt sick. The ill student was taken to the nurse/isolation room and later picked up by his/her parent or guardian.

It is out of an abundance of caution that I notify you, our Verne W. Critz Community. As an added precaution, the student's classroom and all common areas will be thoroughly cleaned.

My number one priority continues to be the health and safety of our students, staff and faculty. I thank you for your understanding and cooperation during this unprecedented time.

Sincerely,

Mandy Mazziotti
Principal
