Dear Parents/Guardians of K-3 students:

We hope you and your families are doing well. Our Chromebook supplier recently informed the school district that due to multiple factors they would be unable to have the Chromebooks delivered to us prior to the start of school. We are extremely disappointed to share this news with you as the company ensured the district the Chromebooks would arrive for the start of the school year. Each K-3 elementary building currently has a limited supply of Chromebooks available for distribution.

Due to a limited supply of Chromebooks, we kindly ask that you request a Chromebook only if you have no other electronic device in your home that can access Google Classroom until our delivery arrives.

The following is the order of Chromebook distribution:

1. **Friday, September 4, 2020** - Remote Learning cohort students (who did not receive a Chromebook last year)
2. **September 9, 2020** - Grade 3 (who did not receive a Chromebook last year)
3. **Date TBD** - Grade 2 (who did not receive a Chromebook last year)
4. **Date TBD** - Grade 1 (who did not receive a Chromebook last year)
5. **Date TBD** - Kindergarten

If you are in need of a Chromebook, please contact your child's school as follows:

1. Brookhaven Elementary School - Gety Melendez - 631-730-1702
2. Kreamer Street Elementary School - Allyson Murphy - 631-730-1653
3. Verne W. Critz Elementary School - Melinda Link - 631-730-1677

Again, we apologize for the inconvenience and appreciate your understanding during these unprecedented times.

Sincerely,
K-3 Administrative Team
