Dear Brookhaven Elementary School Community:

In an effort to continue to be responsive to the concerns on the current COVID-19 pandemic, I am writing to inform you that one student presented symptoms for COVID-19, Flu or Cold at school today.

The student entered the school without a fever and went to his/her classroom. Later in the day, the student was sent to the nurse. He/she was assessed by the nurse, taken to the isolation room and picked up the parent/guardian.

It is out of an abundance of caution that I notify you, our Brookhaven Elementary School Community. As an added precaution, the student's classroom and all common areas will be thoroughly cleaned.

Our number one priority continues to be the health and safety of our students, faculty and staff. I thank you for your understanding and cooperation during this unprecedented time.

Sincerely,

Dr. Rebecca M. Raymond

Principal
