Dear Brookhaven Elementary School Community:

I am writing to inform you that a Brookhaven Elementary School staff member tested positive for COVID-19 on Thursday, November 12, 2020.

The staff member was last in school on Friday, November 6. The Suffolk County Department of Health has been notified and all requested documentation has been submitted for their review.

In the event that any persons were to have been in close contact with that staff member, you will be notified by the Department of Health as well as the school district. As always, our priority remains the health and safety of our entire school community.

Sincerely,

A handwritten signature in cursive script that reads 'Dr. Rebecca M. Raymond'. The signature is written in black ink on a white background.
