November 30, 2020

Dear Brookhaven Elementary School Community:

I am writing to inform you that one student from Brookhaven Elementary School tested positive for COVID-19 on Friday, November 27. The student was last in school on Tuesday, November 17.

In accordance with the District's reopening plan, we have notified the Suffolk County Department of Health, the agency responsible for case investigation and contact tracing in Suffolk County. In review of the schedule of the student, it has been determined that there has been no close contact with any other students or staff members during the infectious period. Therefore, self-quarantine is not necessary.

Moving forward, please know that we will continue to be diligent in following our COVID-19 safety practices. We appreciate the cooperation of all building stakeholders (faculty, staff and students) in ensuring our school remains a healthy and safe environment for all.

Sincerely,

Dr. Rebecca M. Raymond

Principal
