Dear Brookhaven Elementary School Community:

I am writing to inform you that one staff member from Brookhaven Elementary School tested positive for COVID-19 on Wednesday, December 9, 2020. The staff member was last in school on Tuesday, December 8, 2020.

In accordance with the District's reopening plan, we have notified the Suffolk County Department of Health, the agency responsible for case investigation and contact tracing in Suffolk County. In review of the schedule of the staff member it has been determined that there has been no close contact with any other students or staff members during the infectious period. Therefore, self-quarantine is not necessary.

Moving forward, please know that we will continue to be diligent in following our COVID-19 safety practices. We appreciate the cooperation of all building stakeholders (faculty, staff and students) in ensuring our school remains a healthy and safe environment for all.

Sincerely,
