December 14, 2020

Dear Brookhaven Elementary School Community:

I am writing to inform you that it was reported that one student and one staff member from Brookhaven Elementary School tested positive for COVID-19. The student tested positive on Sunday, December 13, 2020 and the staff member tested positive for COVID-19 on Monday, December 14, 2020. The student was last in school on Tuesday, December 8, 2020 and the staff member was last in school on Friday, December 11, 2020.

In accordance with the District's reopening plan, we have notified the Suffolk County Department of Health, the agency responsible for case investigation and contact tracing in Suffolk County. In review of the schedule of the staff member, it has been determined that there has been no close contact with other students or staff members during the infectious period. Therefore, self-quarantine is not necessary.

In response to the student that tested positive to COVID-19 on Sunday, December 14 coupled with information previously communicated on Thursday, December 10, 2020, whereas one staff member tested positive for COVID-19 on Wednesday, December 9, 2020; the individuals in this class will be in quarantine and shift to remote learning beginning tomorrow, Tuesday, December 15, for a two-week period. All individuals in this class were notified of this change and students will return to in-person instruction on Monday, January 4, 2021.

Moving forward, please know that we will continue to be diligent in following our COVID-19 safety practices. We appreciate the cooperation of all building stakeholders (faculty, staff and students) in ensuring our school remains a healthy and safe environment for all.

Sincerely,

Dr. Rebecca M. Raymond
Principal
