December 29, 2020

Dear Brookhaven Elementary School Community:

I am writing to inform you that it was reported to me today, Tuesday, December 29, 2020 that one student from Brookhaven Elementary School tested positive for COVID-19 on Tuesday, December 22, 2020. The student was last in school on Monday, December 21, 2020 and did not present any symptoms.

In accordance with the District's reopening plan, we have notified the Suffolk County Department of Health, the agency responsible for case investigation and contact tracing in Suffolk County. In review of the schedule of the student, it has been determined that there have been 10 students and 4 staff members who were in contact during the infectious period. These contacts have already been notified by Brookhaven Elementary School administration.

Moving forward, please know that we will continue to be diligent in following our COVID-19 safety practices. We appreciate the cooperation of all building stakeholders (faculty, staff and students) in ensuring our school remains a healthy and safe environment for all.

Sincerely,

A handwritten signature in black ink that reads 'Dr. Rebecca M. Raymond'.
