January 12, 2021

Dear Brookhaven Elementary School Community:

I received notification today that two students from Brookhaven Elementary School tested positive for COVID-19. One student tested positive on Tuesday, December 29, 2020 and was last in school on Friday, December 11, 2020. The second student tested positive on Tuesday, January 12, 2021 and was last in school on Tuesday, December 22, 2020.

In accordance with the District's reopening plan, we have notified the Suffolk County Department of Health, the agency responsible for case investigation and contact tracing in Suffolk County. In review of the schedule of both students, it has been determined that there have been no close contact with any other students or staff members during the infectious period. Therefore, no other individuals need to self-quarantine at this time.

Moving forward, please know that we will continue to be diligent in following our COVID-19 safety practices. We appreciate the cooperation of all building stakeholders (faculty, staff and students) in ensuring our school remains a healthy and safe environment for all.

Sincerely,

Dr. Rebecca M. Raymond
Principal
