January 13, 2021

Dear Brookhaven Elementary School Community:

I received notification today that there was one student and one staff member from Brookhaven Elementary School that tested positive for COVID-19. The student tested positive on Wednesday, January 13, 2021 and was last in school on Tuesday, January 5, 2021. The staff member tested positive on Wednesday, January 13, 2021 and was last in school on Wednesday, January 6, 2021.

In accordance with the District's reopening plan, we have notified the Suffolk County Department of Health, the agency responsible for case investigation and contact tracing in Suffolk County. In review of the schedule of the student, it has been determined that there has been no close contact with any other students or staff members during the infectious period. Therefore, no other individuals need to self-quarantine at this time. In review of the staff member's schedule, it has been determined that there was one staff member in close contact during the infectious period. As a result, the individual will remain home and receive further guidance from the department of health.

Moving forward, please know that we will continue to be diligent in following our COVID-19 safety practices. We appreciate the cooperation of all building stakeholders (faculty, staff and students) in ensuring our school remains a healthy and safe environment for all.

Sincerely,

Dr. Rebecca M. Raymond
Principal
