

ADA American Dental Association®

Celebrate Children's Dental Health Month

with a special program for underserved children and their parents or guardians

Join us on February 6th, 2021 from 10am to Noon on Zoom

Where we can answer your questions on:

Finding a Dentist, Getting Dental Insurance, Getting Dental Help for your Special Needs Child, Proper Oral Habits like Brushing, Flossing, and Healthy Eating [Joining link](https://qrgo.page.link/ygRzH) - <https://qrgo.page.link/ygRzH>

ALSO - See our website for fun activities, games, videos and more information for children and parents at:

<http://suffolkdental.org/gkas.html>

These programs are made possible through support from our sponsors including the ADA and those depicted below and especially our volunteer ADA Member Dentists of the Suffolk County Dental Society
