Dear Verne W. Critz Elementary School Community,

I am writing to inform you that the school was informed, that one student from Verne W. Critz Elementary School tested positive for COVID-19 on February 10, 2021. The student was last in school on February 5, 2021.

In accordance with the District's reopening plan, we have notified the Suffolk County Department of Health, the agency responsible for case investigation and contact tracing in Suffolk County. Estimada comunidad de la escuela primaria Verne W. Critz,

Le escribo para informarle que la escuela fue informada, que un estudiante de la Escuela Primaria Verne W. Critz dio positivo por COVID-19 el 10 de febrero de 2021. El estudiante estuvo por última vez en la escuela el 5 de febrero 2021.

De acuerdo con el plan de reapertura del Distrito, hemos notificado al Departamento de Salud del Condado de Suffolk, la agencia responsable de la investigación de casos y el rastreo de contactos en el Condado de Suffolk. Al revisar el horario del estudiante, se ha determinado que no ha habido contacto cercano con ningún otro miembro del personal durante el período infeccioso. Por lo tanto, no es necesaria la auto cuarentena.

En el futuro, sepa que continuaremos siendo diligentes en seguir nuestras prácticas de seguridad COVID-19. Agradecemos la cooperación de todas las partes interesadas del edificio (profesores, personal y estudiantes) para garantizar que nuestra escuela siga siendo un entorno saludable y seguro para todos.

Atentamente,

Mandy Mazziotti
