March 1, 2021

Dear Brookhaven Elementary School Community:

I received notification today that there was one student from Brookhaven Elementary School who tested positive for COVID-19. The student tested positive on Monday, February 22, 2021 and was last in school Friday, February 12, 2021.

In accordance with the District's reopening plan, we have notified the Suffolk County Department of Health, the agency responsible for case investigation and contact tracing in Suffolk County. In review of the schedule of the student, it has been determined that there has been no close contact with any other students or staff members during the infectious period. Therefore, no other individuals need to self-quarantine at this time.

Moving forward, please know that we will continue to be diligent in following our COVID-19 safety practices. We appreciate the cooperation of all building stakeholders (faculty, staff and students) in ensuring our school remains a healthy and safe environment for all.

Sincerely,

Dr. Rebecca M. Raymond
Principal
