Dear Parents and Guardians,

We are excited to inform you that the Lions Club has graciously offered to conduct vision screenings for all 4th and 5th grade students at our school. This is a wonderful opportunity to help ensure that our students' vision is healthy and that any potential vision problems are identified early.

The vision screenings will take place at Frank P. Long IS on the following dates:

- Monday, March 17th – 4th Grade
- Tuesday, March 18th – 5th Grade

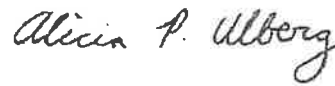

Please note that this is a routine screening and does not require any preparation from the students. Parents will be notified of the screening results and if any follow-up is needed.

We are grateful to the Lions Club for offering this service and for their continued support of our community. If you have any questions or would like more information, please feel free to contact Nurse McCoy at 631.730.1736.

Thank you for your cooperation and support.

Sincerely,
